SR UNIVERSITY

Lr.No. SRU/Attendance Policy/2025 Date: 06-08-2025

CIRCULAR

Sub: - Attendance Policy for the Academic Year 2025-26 - Reg

This is to inform you about the attendance policy applicable to all students for the academic year 2025-26 (Odd Semester). Maintaining regular attendance is essential to your academic progress and overall development. Please carefully review the following guidelines:

1. **Minimum Attendance Requirement**
   - All students must maintain a minimum of **75% attendance** in each course.
   - The remaining **25% absence** is permitted for reasons such as medical issues, personal emergencies, participation in NSS/NCC camps, Sparkrill, sports, club activities, representation of the university in external events, or similar activities.
2. **Condonation of Attendance**
   - If attendance is **>= 65%** and **<75%**, the **Condonation Board** may consider your case, provided the reasons are valid (e.g., severe medical conditions).
   - Approval of condonation will require the payment of a **condonation fee**.
3. **Mandatory Attendance Threshold**
   - Attendance below **65%** in any course will result in **automatic detention from that course**, irrespective of the reasons.
   - **No exceptions or appeals will be considered** for attendance below this threshold.
   - Students must ensure their attendance does not drop below this **mandatory 65%** threshold under any circumstances to avoid detainment.
