Student Condonation & Detention Policy

Applicable for B.Tech | BBA

All students must maintain a minimum of 75% attendance in each course.

This is to inform all students about the attendance policy applicable for the academic year 2024-25 (Even Semester). Maintaining regular attendance is essential to your academic progress and overall development. Kindly review the following revised guidelines:

1. Minimum Attendance Requirement

- All students must maintain a minimum of **75% attendance** in each course.
- A maximum of **25% absence** is permitted for reasons such as medical issues, personal emergencies, participation in NSS/NCC camps, Sparkrill, sports, club activities, representation of the university in external events, or similar activities.

2. Condonation of Attendance

- If attendance falls below **75%**, the Condonation Board may consider the case, provided the reasons are valid (e.g., severe medical conditions).
- The following condonation fees are applicable:

S. No.	Attendance Condonation	Fine per Course
1	65 % - 74.9	Rs. 500/-
2	55 % - 64.9%	Rs. 1000/-

Cases with attendance between **55% and 65%** will be reviewed individually by the Condonation Board along with the condonation fee.

3. Mandatory Attendance Threshold

- Attendance below **55%** in any course will result in **automatic detention** from that course, irrespective of the reasons.
- No exceptions or appeals will be considered for attendance below this threshold. Students are advised to ensure that their attendance does not drop below the mandatory **55% threshold** under any circumstances to avoid detainment.

4. Submission of Supporting Documents

- Students seeking condonation must submit valid supporting documents through the SRaap portal at least 15 days prior to the last teaching day.
- The document must be in PDF format and should not exceed 150 MB in size.
